Respondent	Answer
1881628	Gabriel is the most receptive and helpful TA I have had at Yale.
1887692	Excellent TA. Super helpful, great at explaining concepts.
1890502	Gabriel also did a great job. He was very knowledgeable and patient in office hours and provided helpful feedback on problem sets.
1890994	Extremely helpful when going through example problems; great explanations
1891113	Amazing!!!
1897766	Gabriel was amazing at explaining things, very helpful at all times in giving feedback, clearly very knowledgeable. I made full use of his office hours and review sessions, and I can assure that this made a big difference in my grade and my ability to comprehend difficult material. My best TA this semester.
1897770	Gabriel was a great TF throughout the semester he provided helpful feedback on homework, held very useful sections every week and provided guidance on problem set questions when asked for guidance.
1897774	I didnt really go to any office hours, but Gabriel seemed very on top of everything.
1897775	Gabriel was fantastic. He offered plenty of office hours and was always ready to help us on psets or to reexplain concepts.
1897837	Gabriel was an excellent TA; one of the best I have had at Yale. His sessions were easy to follow and well-timed, proving very helpful in completing homework. He was always quick to respond via email to any questions.
1897967	Really tried to walk us through the problems so we would understand it.
1898677	.
1898718	I wish office hours was more than just reviewing and explaining Pset answers. Some more time discussing content and facilitating individual work would be great. However, he was always willing to meet outside of prescribed office times. When I felt I was truly struggling in the class he spent an hour working with me one on one and helped me understand concepts. One of the best TAs Ive ever had, overall amazing.
1903747	Gabriel was an incredibly helpful TA. He explained homework questions very clearly and he made concepts that originally felt complex become digestible and clear. This class would have been a very different experience for me without Gabriel.
1905003	Gabriel was a very good TA who was excellent at answering our questions and explaining related problems to those we faced in class. He was very good at finding holes in my proofs and helping me improve there.
